2009 - 2010	\$24,445,324
2010 - 2011	\$22,919,008

* The net revenues from the Trust Lands Administration's management of school trust lands are deposited in the State Permanent School Fund.

The money distributed to schools comes from the interest and dividends earned each year on the stocks and bonds held in the Fund.

The Permanent School Fund is managed by the State Treasurer.
